

Register Domain Name

Freenom is the free domain provider. Free domains work exactly like any other domain name. You can use it for your website, your blog, email account and more.

1. Open the below URL

<https://www.freenom.com>

Note: Register your domain at [freenom.com](https://www.freenom.com) from mobile to avoid get it blocked if multiple users try to create various domain name from same IP address

2. On the home page you will be able to type in the domain name you would like to register in the **Find a new Free domain** field.

3. Then click **Check Availability**
4. If the domain name is **available as free**, click on **Get it now**

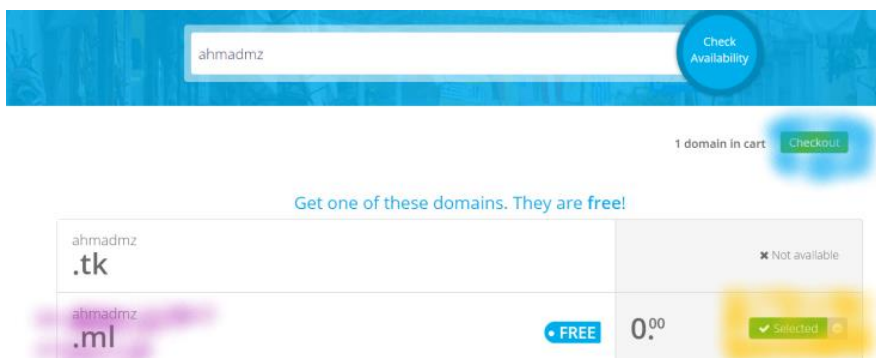

ahmadmz
